Our Party & Event Team can offer a detailed plan of your event, creating a floor plan to maximize your space and help you select the accessories to make your event a big success. These plans can be used in conjunction with your other vendors in order to coordinate a seamless event. We will also utilize your site plans to obtain all necessary permits. Having detailed drawings of your event will make planning your event a pleasure instead of a nightmare. *Please note that in most cases there is an additional fee for event drawings.*
