**A V Party Rentals** realizes that it takes more than a good product to do well in the event industry. That is why we go beyond rental equipment, and offer the many services that are needed to complete your special event. This is what sets **A V Party Rentals** apart from our competition. Here are some of the additional services that we offer. If there is a special application or need that you cannot find here, please let us know.

**No sales tax on rentals** - **A V Party Rentals** does not charge sales tax on rentals. When we purchase rental equipment, we pay the sales tax so that you don't have to. Ask your current rental company if they are charging you tax. This saves you money; it's like getting a discount on your rentals.

**Custom Tailored Orders** - At **A V Party Rentals**, we don't want to lock you into packages of equipment you don't really need. That is why every order is a custom order, only the equipment you want, in the amounts that you need.

**Reservations up to Two Years in Advance** - The state of the art computer system used at **A V Party Rentals** will allow us to make quotes and confirmed reservations up to two years in advance. It will tell us instantly (at the time that you ask for the equipment), whether or not it is available for the requested date.

**Delivery and Pick Up, Set-Up and Strike** - **A V Party Rentals** offers delivery and pick up based on location, time frame, and loading and unloading conditions. In most cases, delivery is at least one day prior to event, although more specific time frames are available. Delivery and pick up service is available 7 days a week, 24 hours a day, to insure that we meet your needs, and adhere to your timetable. Prices for items such as tables, chairs, china, and linen do not include the cost for set-up. For an additional fee, we are happy to perform this service for you. Arrangements for set-up and strike must be made in advance of delivery. (**Please note** that the set-up is included in the cost of canopies, dance floors, staging, and Astroturf.)

**DELIVERY CHARGE IS TO DOOR AT STREET LEVEL**  
**NORMAL DELIVERY PRICE IS MONDAY – FRIDAY**

## Delivery and Pick-Up Information

Thank you for choosing A V Party Rentals to help make your event a success. We are confident that you will be thrilled with the service and equipment quality that we will provide for you. Please take a moment to review your reservation with our rental professional so that we can be sure that your event is hassle free.

We would like to take this opportunity to advise you of our standard delivery and pick up procedures. Of course, we can adapt to any situation that you may require, just let us know in plenty of time, in case there may be any additional charges. *Please note that set up and strike of tables and chairs is not included in the rental price, or the delivery price. Those services are available for an additional fee, and arrangements must be made in advance.* Our normal deliveries and pick up are run Monday through Friday, with the trucks leaving here at 8:30 AM, and arriving back at our facility no later than 5:30 PM. This schedule allows us to maintain our low delivery costs. We are happy to note preferences, but cannot guarantee a preference under the normal delivery fee. As stated before, we can operate outside of those parameters for an additional fee (Saturday or Sunday delivery or pick up, or delivery or pick up before or after operating hours).

Our delivery and pick up schedule is based on the areas that we route our trucks, and the type of equipment for certain installers. **If your event is on a weekend (Saturday or Sunday), your delivery will be scheduled for either Thursday or Friday.** For delivery, we will notify you the day before we schedule to deliver your order, and give you a two-hour target for delivery. Our success rate on target times is about 95% before noon, and 90% after noon, because of certain variables that are out of our control. We try to keep you posted if we are running behind. **For pick-ups of weekend events, your pick up will be scheduled for Monday or Tuesday.** The schedule for pick ups is not made until the actual day we pick your order up, so we call Monday only the orders that we schedule for pick up Monday. On Tuesday, we will call the orders that we schedule for pick up on Tuesday. The call is made by 9:30 AM, so if you do not hear from us on Monday by 9:30, you can assume that we will pick your order up Tuesday.

If there are any questions, please do not hesitate to ask. Even if you have left the store and realize that some issues are not clear, please call and we will make every effort to accommodate you. Remember, we want to help make your event a complete success.

Once again, thank you for choosing A V Party Rentals.
