## The Spotlight of Your Event

The A V Party Rental Event Team has extensive experience in the rental and installation of tents and canopies for every type of event: private, corporate, and fundraising. Our specially trained coordinators can provide a site survey, space requirements, and desired options.

When thinking about a tented event, there are a number of considerations to be aware of:

- ★ How many guests are expected? Will they be seated or standing?
- ★ Will the tent be used with another building such as a patio or porch?
- ★ Will food be served? Is the food service buffet or sit down style?
- ★ What additional space requirements are there:
  - ◆ Dance floor
  - ◆ Entertainment / Staging
  - ◆ Bar or beverage service
  - ◆ Bridal, cake and/or gift tables

***As a rule, we recommend using the standard fire code requirement of 15 square feet per person in seating, plus additional space for special areas.***

The following table reflects comfortable Banquet Seating (15 sq. ft. per person) or Cocktail or Theater Seating (7.5 sq. ft. per person)
